[redacted] CIA Review Staff, from Roscoe B. Starek, III,

2. Since you have been handling all NIE and NIE-related
matters with the Senate Select Committee Staff and since it
is important that we have a fairly uniform treatment of such
between the two Congressional Committees, I suggest that you
pick up responsibility for working with the HSC re this
request and any others which may arrive in the future con-
cerning access to NIEs.

3. I can be the contact point for the Committee Staff,
since this will assure that the Community Registry is current
as to what is being requested. Your abstracts to the Registry
will reflect responses of the NIO office.
